

QUIK-SHIELD 118

EFFICIENT CLOSED-CELL SPRAY FOAM

QUIK-SHIELD 118 is a highly efficient, closed-cell spray foam insulation. It is ideal for high-performance and air barrier insulation applications in residential (IRC) and commercial (IBC) construction. QUIK-SHIELD 118 provides high performance regardless of job site conditions while delivering the lowest cost installed.

With its industry leading yield QUIK-SHIELD 118 offers up to a 10% higher yield. Along with other features, such as 1hr re-entry, QUIK-SHIELD 118 can help decrease job cost allowing you to jump ahead of the competition.

PRODUCT FEATURES

1.8 lb/ft³ Density

R-Value 6.6 at 1 Inch

Average 5,300 bd.ft.

AC377 Appendix X Compliant

New Construction 1Hr Re-entry

GREENGUARD® Gold Certified

I spray QUIK-SHIELD 118 because it is easy to dial-in, I don't have to adjust my temperature settings throughout the day, and the blend is perfect for every season. I've noticed the low density gives me an extra 500-800 board feet than a 2lb foam. Overall, the product is very user-friendly and efficient.
